

Remember:

- Do a tick check tonight. Look for any little critters crawling on you; make sure you get the whole tick.
- Stay tuned to www.holliscenter.org for dates and info for camp next year and other events at Hollis during the fall!

LOVE TO SERVE

THEME VERSE: Mark 10:45

Today we focused on how we are sent to serve. God sends us to serve our neighbor, whether next door, down the block or across the ocean. Maybe you will go someplace exotic to serve, like India or South America. Maybe you will go into the city, your local church or to your neighborhood park to serve. When you are asked to serve, be ready to say, "here I am Lord!"

SNACKS! YUM!
