

Remember:

- Do a tick check tonight. Look for any little critters crawling on you; make sure you get the whole tick.
- Tuesday is water day...as if we need help getting wet. We will have some guided water games in the afternoon...plan to get wet, bring extra clothes or a swimsuit.

LOVE TO SERVE

THEME VERSE: Mark 10:45

While our theme for the whole week is Love to Serve, today we talked about how we are free to serve. Not Free Service, but we are set free by God's love for us to serve others, as God has first served and loved us.

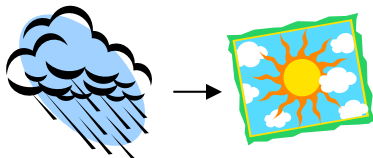

There are 6 campers from Salem Lutheran here this week. Salem is located in downtown Lenexa.

A raining start, but the rest of the week is looking up. While we might have a rainy start for tomorrow we should be hot and humid for the rest of the week. Be sure to wear sun screen and the bug stuff.

Weather for Tuesday:

Find a color version of this newsletter at: www.holliscenter.org

Come to the potluck and campfire on Wednesday night...more details tomorrow.
