- Do a tick check tonight. Look for any little critters crawling on you; make sure you get the whole tick.
- Review the theme of the day with your camper!

Jesus Protects You

Today's story showed Jesus protecting Peter. Peter trusted Jesus which allowed Peter to risk getting out of his boat. Even though Peter began to sink, Jesus was right there to help and protect him. Read all about in the 14TH Chapter of the Gospel of Mark!

Wednesday Details

All campers are invited to stay from 3 -5 PM that day to chill out with the counselors, watch a movie and get ready for the camp pot luck starting about 5 PM. Hollis will pick up the fried chicken and drinks. Each family needs to bring: their own table service, a side dish to share (veggie, fruit or chips) and \$1/ person to help pay for the chicken. Please let us know Tuesday or Wednesday morning if you will be participating in this program and how many will be coming! After dinner, the counselors will be hosting a fun campfire and we will be cooking our own dessert!

Funky Monkeys

Agatta Ngiwashami is the lead counselor this week. She will be pursuing a masters in social work this fall at University of Nebraska (Omaha). Her favorite Bible verse is Psalm 119:105. If she were a bug she would be a lightning bug so she could spread a little light in the world. Jesus has chosen her to live with a heart of service, love, humility and community. Welcome Agatta!
